

Flyer Template

Sheet set up size 136mm x 303mm
Finished size 130 x 297

Extend artwork to black bleed line.
Artwork that extends to the page edge
are required to have a 3mm of bleed out
side of the finished artwork size on
all sizes. so to ensure a clean finish
when trimmed.

The blue line is the final
finished size of document
after trimming
(Total size 130 mm x 297 mm)

Safety margin,
keep all text, logos, photos,
graphics, etc. within
this pink line area
(4mm from finished size
on all sides of the document)
